2018-2019 RESPECT LIFE PROGRAM

The annual Respect Life Program is a year-round, nationwide effort to help Catholics understand, value, and become engaged with building a culture that cherishes every human life.

Sponsored by the U.S. Conference of Catholic Bishops and carried out by local leaders, these efforts are renewed each October (Respect Life Month) and continue through the following September. The 2018 observance of Respect Life Sunday is October 7.

To assist with pro-life efforts, the 2018-2019 Respect Life Program kit combines select resources from previous years with entirely new resources, forming a toolkit to help local leaders throughout the Church build a culture of life.
