Dear Pastor/Parish Administrator,

Soon your diocese will be taking up the Collection for the Church in Latin America, and your help is needed to promote this collection with your parishioners. The people are faith filled, but the needs and challenges that the Church faces in Latin America and the Caribbean are great. There are few catechetical and pastoral resources as well as a lack of ministers and poor infrastructure throughout the region. But with your help, we can support our brothers and sisters and share our faith with them in a prophetic and bold way. Inside this mailer you will find resources to help promote the collection, including an appeal you can read as well as bulletin announcements.

Let me give you an inspiring example of this bold and prophetic solidarity. In northeastern Ecuador, in the Amazon jungle, live hundreds of thousands of people. Many of these people are Catholic and have a strong indigenous culture, and most speak only their native language, Quechua. The first missionaries arrived to this area many years ago and provided basic material for evangelization. Through the Collection for the Church in Latin America, an updated devotional book was produced and adapted to the Quechua culture based on feedback provided by the ingenious people. The book contains prayers, songs, and basic teachings of the faith. News of the latest edition was spread through radio programs, and over 10,000 books were handed out. Your support made it possible for adolescents, adults, and elders living in the Ecuadorian jungle to deepen their faith and grow in love of Christ.

As you can see, supporting this collection in your parish makes a real difference in the lives of the Catholic faithful in Latin America and the Caribbean. **The most effective way you can promote the collection is to mention it to your parishioners during Mass.** You can find additional resources for the collection at www.usccb.org/latin-america/collection.

If you have any questions about the collection or need additional materials, including other stories of beneficiaries, please contact Nicole Germain, assistant director for promotions, at 202-541-3346 or ncpromo@usccb.org. Thank you!

Gratefully in Christ,

Simple Steps for a Successful Collection for the Church in Latin America

1. **Announce** the collection. Use the parish appeal and bulletin announcements provided, including stories of projects funded by the collection, to tell parishioners what the collection is and how it makes a difference. **This is the best way to ensure the success of the collection.**

2. **Preach** about the many challenges facing the Church in Latin America and the Caribbean. Issues include the lack of education in the faith and the lack of access to resources to strengthen the faith. The collection helps alleviate this problem by funding many programs such as catechetical programs, youth ministry, and leadership training for priests, seminarians, religious, and lay ministers. The stories provided here or on the collection website can help you enhance your preaching about the Scriptures and about the collection.

3. **Pray** for the Church in Latin America as it struggles to provide basic pastoral care to its parishioners and works to share the faith with future generations. Use the intercessions and the Prayer for Solidarity to unite your parish to these communities.
