Sons and Daughters of the Light

A Pastoral Plan for Ministry with Young Adults

Men and women in their late teens, twenties, and thirties bring tremendous gifts to the Church. With this in mind, the bishops address the life situation of these individuals and offer a comprehensive and workable plan of action for connecting young adults with the Church, Jesus Christ, the mission of the Church in the world, and a peer community.

Renewing the Vision

A Framework for Catholic Youth Ministry

Building on the fine tradition begun by *A Vision of Youth Ministry*, this 20th anniversary document responds to the new challenges and opportunities of the present day. The document addresses the call to personal discipleship, evangelization, and leadership. Offered as a "blueprint" for the continued development of effective ministry with young and older adolescents, this framework is an affirmation of the

faith, gifts, energy, and fresh ideas of young people, a Christ centered vision, and a call to empower young people for the mission they have been given by the Lord Jesus.
