

Take-Home Family Research

1. What is your family name?
2. What country / countries does your family come from?
3. Tell about any special customs your family has observed for a long time, or even for generations. For example, at births, marriages, holidays, birthdays, deaths.
4. Are there recipes that are your family has made for many years? Attach a copy of a favorite.
5. Are there family stories you learned from grandparents or parents? Please share one.
