Frequently Asked Questions

HOW DO USERS JOIN MYUSCCB?

The person who first creates the account through the online application is the default administrator and will be able to invite users (based on the package purchased) to join myUSCCB.

WHAT CAN A USER DO?

Every user has access to all of the features in myUSCCB. In fact, myUSCCB was created for individual users. Users have different needs within their ministry and may be involved in multiple ministries. Once a user receives an invitation from their account administrator, they can log in and download material.

CAN THERE BE MULTIPLE ACCOUNTS AT A PARISH, DIOCESE OR INSTITUTION?

Yes. myUSCCB membership is meant to be flexible. For example, a large parish may wish to purchase an account package that includes access for every active person in ministry. Or, at the same large parish, different

ministries may want their own accounts (i.e. director of religious education, marriage prep coordinator, etc.). The same is true for a diocese or institution that may wish to purchase a membership account package for everyone in the office or allow each ministry to purchase its own.

WHAT CAN I DO AND WHAT IS NOT ALLOWED WITH DOWNLOADABLE RESOURCES?

You may:

- download and view the material from any device
- print the material in whole or in part and distribute it without charge within your parish, diocesan office, school, or institution
- include brief excerpts (no more than 4 paragraphs) in your parish bulletin or newsletter

You may not:

- alter the text in any way
- sell the material or include it in paid packets for a class
- make the downloadable file available to others via methods such

as email, thumb drives or uploading to your website

- a diocesan office may not make downloadable resources available to parishes

WHAT TYPE OF PAYMENT DO YOU ACCEPT?

Currently, we only accept credit card payment for membership dues (Visa, Mastercard, AMEX).

DO YOU HAVE RESTRICTIONS ON WHO CAN BE AN ACCOUNT ADMINISTRATOR?

Yes. The individual who creates the account is administrator and can select up to one other individual to be administrator. The administrator's main role is to add or remove users.

CAN INDIVIDUALS HAVE THEIR OWN ACCOUNT?

Yes. The *Up to 3 users* account package was designed for individuals or small parishes.
