

The 17th Annual National Day of Prayer African American Family

Sunday, February 5, 2006

*Let's kick off Black History Month by celebrating the National Day of Prayer for **The National Day of Prayer The African American Family Resource Aid** is available on CD-ROM (for windows only). The CD contains a catechetical reflection, a prayer specifically for the African American Family together!!!*

The National Day of Prayer is a fitting opening to Black History Month Activities. Coming together in prayer on that Sunday is a sign to our families that we are on one accord with them during these troubling times. The National Day of Prayer for the African American Family was created by Fr. James Goode, OFM in 1989, as a day set aside for us to give special thanks to God for our families and place our every care in the arms of Jesus. Even though this is the beginning of a new year, for many it will be a time of fear, fear of losing electricity, fear of losing housing, fear of losing Medicare benefits, fear of losing your job. As a sign of support and solidarity, we ask each parish, family, convent; religious house, etc. stand and pray for the Black family.

This year's theme for the National Day of Prayer for the African American Family 2006 is:

"God's Ever Present Help Keeps Us Keeping On"

The National Day of Prayer for the African American Family Resource Aid is available on CD-Rom (for windows only). The CD contains a catechetical reflection and a communal prayer that can be said. Printed copies will also be available.
