

Are you interested in preventing human trafficking by joining the Amistad Movement?

Become a Community Educator through a weekend of intensive formation and training at the Amistad Institute!

By receiving this training, you are committing yourself to reaching out to vulnerable populations in recent immigrant communities, recruiting trainers, and training them on victim-identification and prevention, for at least one year. Becoming an Amistad Trainer will enable you to:

- **Educate and empower** at-risk communities to prevent exploitation
- **Identify** victims of human trafficking and inform them on available help

The **Amistad Institute** will be held at the Oblate Renewal Center, in San Antonio, Texas, November 4—6, 2016.

For more information about the Amistad Institute, including a FAQ visit us at:

www.usccb.org/stopslavery

If you are interested in attending the Institute, fill out the application form and send it in, or if you do not have an application, contact us:
