

### SESSION 4

### Questions to Ask When a Strategic Property Planning Process Is Off Track

- 1. What is the root cause (or causes) of getting off track?
- 2. Was getting off track avoidable?
- 3. What can be done to avoid a repeat or similar occurrence?
- 4. What will be the impact in the short term?
- 5. What short-term actions are needed?
- 6. What will be the long-term impact?
- 7. What long-term actions are needed?
- 8. What will be the impact on the meeting schedule or on the dates planned for large group gatherings?
- 9. How will the overall strategic property planning timeline be affected?
- 10. Will there be an impact on the cost of strategic property planning?
- 11. Is additional communication with members warranted?
- 12. Is communication needed with other groups or committees closely connected with the strategic property planning process?
