

World Youth Day 2016

www.wydusa.org

The World Youth Day USA (WYDUSA) logo is the property of the United States Conference of Catholic Bishops, developed for the purpose of bringing solidarity and unity to World Youth Day pilgrims from across the United States of America, including those who travel to the international gatherings and those who celebrate digitally and stateside, as well as WYDUSA “alumni,” that is, those from the United States who have experienced an international or stateside World Youth Day gathering in the past.

- 1. Local parishes and dioceses can use the logo as-is, with the TM (trademark) designation.*
- 2. Local parishes and dioceses can only use the logo for informational and promotional purposes, not product development.*
- 3. No alterations may be done with the logo: the WYD/USA must be at the same level/proportion as the cross-and-flag design; the color and lettering must remain the same as it is in the original logo.*
- 4. Other designs for local reasons may be used, but the WYDUSA logo™ must remain on its own in the same format received.*
