

## **GENERATIONS OF FAITH II- AN INTERRELIGIOUS ENCOUNTER**

Two years ago in the fall of 2010 more than 30 religious leaders and young adults representing six religious traditions convened in Washington DC for a two day round-table gathering to discuss the topic “Living in a Pluralistic and Multi-Religious Society: Common Experiences and Common Expectations.”

This fall the **Secretariat for Ecumenical and Interreligious Affairs of the United States Conference of Catholic Bishops** would like to summon back to the table members of the Christian, Hindu, Jewish, Muslim and Sikh traditions to continue our inter-faith/inter-generational dialogue. We cordially invite a delegation of one religious leader and two to three young adults from your community to represent your tradition in this endeavor of mutual dialogue, discovery, and understanding.
