Office/Committee

- [Laity, Marriage, Family Life, and Youth](#)

Year Published

- 1997

Language

- English

Please note: The Committee on Marriage and Family Statement *Always Our Children* as a message to parents and families addressing the pastoral care of their children with a homosexual inclination has been superseded by the statement [Ministry to Persons with a Homosexual Inclination: Guidelines for Pastoral Care](#). This is the most current resource when it comes to ministry to persons with same-sex attraction which was approved by the full body of bishops in November 2006.
