

## Houston Training 2026 Open for Registration

Dear friends,

We are pleased to be able to announce the next **Houston Introduction to Seafarers' Welfare training** for **February 22-27, 2026**.

Thank you to our local hosts Houston International Seafarers' Center and partners ICMA, Stella Maris, The Seamen's Church Institute, and The Mission to Seafarers for all their support over the years. The course typically welcomes from 15 to a maximum of 20 students (2025 group photo above). This course mirrors that given in the International Christian Maritime Association (ICMA), and welcomes students from all over the world.

Students can **register** at this link: <http://houstonschool.namma.org/>. Regular registration includes the cost of hotel, food, and program for the whole week in Houston.

We would be pleased if you could share this announcement with your networks.

Sincerely,

Jason Zuidema
