Learn from other ethnic communities

What has been my API experience of the tension between unity in diversity among various communities?

Majority ethnic tends to want to dominate.

Challenging but enriching.

Very good

I saw no tension lol

The richness of our culture

Tendency to seek out comfort levels

Unity, faithful

good and enriching

What has been my API experience of the tension between unity in diversity among various communities?

Very good Collaboration

Still some sort discrimination

Trust in one God and opening

The tension between inter generation

Prayer

Inclusiveness and sharing opportunities with all the communities in API. People are very restrictive within their community they have to come forward and talk to other and know their cultures.

Very good

Needs persistence,, conviction and perseverance

What has been my API experience of the tension between unity in diversity among various communities?

No tension, only respect for each other

Less intimidating when food is shared too

A lot of "clicking up" or sticking to their own

My strong beliefs in PROLIFE, again

Menial communication and interaction

Open to possibilities of working and meeting together as an api communiy

My experience between unity in diversity among various communities is it can be difficult for others to get along

Mentality of scarcity as regards to budgets and space in church versus a holy imagination that brings forth the gifts of the Spirit from each community and each member of the Body

What has been my API experience of the tension between unity in diversity among various communities?

Sort of condescending to minority

Excellent and Understandable

Yes in my experience no tension with other communities. Tension is found mostly in our own community.

Bias , language and differences and lack of bridge and liaison and communication.

No interest to know other cultures

Language barriers between parents and Gen Z

Lack of trust

Against LGBTQ, traditional marriage

What has been my API experience of the tension between unity in diversity among various communities?

Not open enough to welcome or to be welcomed.

Not the worse, but need certain improvements.

Starting a conversation with various communities

No tension in our community. Everyone is cooperative.

Unity in diversity of community of our Catholicism

With a bit of Scrutiny, challenges my line of thought to see the scope of Christ in other cultures and their efficacy

Work together

I see no tension No Cape

What has been my API experience of the tension between unity in diversity among various communities?

Different POV between parents and newer generations

It's wonderful to be able to celebrate mass in different languages.

tension between cultures

We have a very good condition even though we don't know each other. We learned some from each other.

Different understanding of cultures and language

There are communities that are very new to the faith and others that have been Catholic for several generations. This sometimes causes younger communities to need a greater degree of hospitality

Inspiring and beautiful

Misunderstanding between inter generation due to different cultural backgrounds

What has been my API experience of the tension between unity in diversity among various communities?

They r cliquish

Challenging

Encourage

We want "unity in diversity", but don't always understand what kind of work it takes to achieve that, nor are we always ready to put in that work to make it happen.

Not much tension or interaction in these groups

Lack of understanding cultural differences

each one wants to be "the one"

rivalry
