

## List of Institutional or Coalition Membership

List here all the names of the organizations or institutions who are members of your organization or coalition. Cite the name of each organization and its location. For example, if you have 45 members, list all 45 names and their location (city, state). Institutional or coalition members may be congregations, religious orders, schools, unions, community development corporations (CDCs), neighborhood civic associations, parent-teacher groups, individual independent organizations, or agencies, or entities from other categories.
