Slides 1 – 13

1. What are some implications of Bishop Malone's statement (slide 5) that
 - a. Evangelization should be the lens through which we should approach all our diocesan educational, catechetical, and communications efforts (see NDC, no. 17);
 - b. Genuine leadership is ecclesial and collaborative, rooted in prayer and conversion, and enhanced by ongoing leadership formation;
 - c. Leadership is modeled on the example of Jesus Christ.
