

Saint John of God

Novena for Mental Health: Mental Health Ministry

Prayer for Mental Health Ministries

Lord, we pray that our brothers and sisters who suffer from mental illness and mental health challenges, and those who support them, are never alone or discriminated against, but instead are welcomed and supported in the Church.

We pray that mental health ministry becomes an integral ministry in the Church, and that every Catholic parish and community might have access to mental health ministries.

We pray that mental health ministries will help build communities of warmth and affection where those who face mental health challenges will, in the words of Pope Francis, “find support and a light that opens them up to life.” Amen.

St. John of God, pray for us.
