

REVEAL Christ's LOVE

Around noon on April 25, 2015, a powerful 7.8 magnitude earthquake struck Nepal. Strong aftershocks continued for days afterward. Not only did about 9,000 people lose their lives, but 23,000 others were injured, and more than 750,000 homes were destroyed or damaged. Families displaced by the disaster suffered the loss of loved ones and homes. They also confronted the poverty of lost livelihoods.

A grandmother named KunMaya not only lost her home but also suffered the loss of her son. For more than eight years following the earthquake, she and her husband lived in a temporary wooden shelter that offered little protection against weather. Catholic Relief Services (CRS), working with local partners, assisted KunMaya and more than 6,200 other families affected by the earthquake through the Resilient Communities through Vulnerable Earthquake Recovery (ReCoVER) project. Through this program, CRS-trained masons built an earthquake-resilient home for KunMaya and her husband. At the same time, ReCoVER offered KunMaya training in raising poultry and managing financial savings—training that helped her establish a growing poultry business that has allowed her to sustain her family while also saving and building for the future.

CRS relies on the support it receives through The Catholic Relief Services Collection to reveal Christ's love to victims of wars and natural disasters throughout the world. CRS carries out this work in ways that address immediate needs and provide long-term solutions to help build a stable, hopeful future.

REVELA EL AMOR DE *Cristo*

Alrededor del mediodía del 25 de abril del 2015, Nepal fue remecido por un gran terremoto de 7.8 grados, seguido de unas fuertes réplicas en días posteriores. No solo perdieron la vida cerca de 9,000 personas, sino que otras 23,000 sufrieron daños personales y más de 750,000 viviendas fueron destruidas o dañadas. Este desastre desplazó a familias que sufrieron la pérdida de sus seres queridos y de sus hogares. También tuvieron que enfrentar pobreza ya que perdieron sus medios de subsistencia.

Una abuela llamada KunMaya no solo perdió su vivienda, sino que también sufrió la pérdida de su hijo. Luego del terremoto, y por más de ocho años, ella y su esposo vivieron en un albergue temporal de madera que ofrecía muy poca protección contra el clima. Catholic Relief Services (CRS), trabajando con sus asociados locales, ayudó a KunMaya y a más de 6,200 familias afectadas por el terremoto a través del proyecto Resilient Communities through Vulnerable Earthquake Recovery (ReCoVER). Mediante este programa, albañiles capacitados por CRS, construyeron para ella y su esposo una casa resistente a terremotos. Asimismo, ReCoVER le ofreció a KunMaya una capacitación en la crianza de aves de corral y en la gestión de ahorros financieros—una capacitación que le ayudó a establecer un próspero negocio de aves de corral y que le permite mantener a su familia, a la vez que ahorra y construye para el futuro.

CRS cuenta con el apoyo que recibe de The Catholic Relief Services Collection para revelar el amor de Cristo a las víctimas de guerras y desastres naturales alrededor del mundo. CRS lleva a cabo esta labor de manera que responde a las necesidades inmediatas y proporciona soluciones a largo plazo para ayudar a construir un futuro estable y esperanzador.
