Bulletin Quotes

June 4th

“The Catholic Church has a long history of service to those who are most vulnerable and remains the largest private provider of social services in the United States. Through the sacrificial efforts of faithful Catholics, the Church serves millions through diocesan ministries and agencies, Catholic hospitals and healthcare systems, immigration clinics, shelters, and Catholic schools and parishes. ...The Church consistently bears witness in word and deed to the beauty and dignity of every human life—including both mother and child.”

“Christ’s blood reveals to man that his greatness, and therefore his vocation, consists in the sincere gift of self. ...It is from the blood of Christ that all draw the strength to commit themselves to promoting life. It is precisely this blood that is the most powerful source of hope, indeed it is the foundation of the absolute certitude that in God’s plan life will be victorious.”

“Through our prayers and through the intercession of St. Joseph, patron of fathers, may fathers come to know the *irreplaceable* role they hold in the lives of their children, and the responsibility they share in welcoming God’s gift of new life!”

“O God our Creator... we ask you to bless us in our vigilance for the gift of religious liberty. Give us the strength of mind and heart to readily defend our freedoms when they are threatened; give us courage in making our voices heard on behalf of the rights of your Church and the freedom of conscience of all people of faith.”
